ABOUT TOURNAMENT

For the last 12 years Softball club Princ hosted International tournaments: Forever Fastpitch and Ball Game.

It's open to all teams that are interested to play high level games.

We hope to have a good competition for your team since the teams from Great Britain, Italy, Denmark, Slovakia, Slovenia, Austria, Netherlands, Hungary have participated on tournaments earlier. Every team will play least 4 games during the weekend, but of the most teams will have 5 games. (Depending on the outcome of 1st Round robin and number of teams).

Because we want for girls to play as much as possible we think about starting the tournament on Friday afternoon, depending on weather and if there will be teams available to play on Friday. That would give us space for more games on Saturday and Sunday.

We always try to make the tournament a big fun deal with the idea of sportsmanship and friendship, and also have a good level of play at the tournament.

ZAGREB

Zagreb, the capital of the Republic of Croatia, is one of the oldest European cities and is yet one of Europe's youngest metropolises. The fact that the Zagreb archdiocese was founded in 1094 and that the city was proclaimed a free royal city in 1242, attests to its long history. Zagreb was founded in a place where the last hills of the Alps merge towards the edge of the Panonian valley, making it an ideal spot for building a city within the Medvednica mountain hills (the highest point is Sljeme at 1035 meters, a favourite picnic spot for Zagrebians) and along the Sava River valley.

Zagreb is the administrative, economic, diplomatic and cultural capital of the country, with a population of almost one million.

You may best learn about it by walking down the city streets and enjoying a cappuccino in one of its many city cafes. The biggest value of this city is its atmosphere and the people who never allow you to feel alone. Zagreb has a story to tell and it has a heart, a big heart.
